

Zaplox GO

Get a swift start to launch a mobile guest journey with check in, mobile keys and check out. Zaplox GO offers a quick, easy and keyless solution for your hotel regardless of what PMS you run.

Ready to GO with any PMS

With Zaplox GO you can eliminate the traditional hassle of front desk lines and check-in delays for a seamless arrival.

Not only that - but guests can check in and access their room using their smartphone as well as receive notifications, act on special offers and upgrades, check out and book their next stay right from their mobile device.

Strengthen your relationship with your guests, increase efficiency and drive guest loyalty by offering Zaplox GO convenience that delivers the best possible mobile experience.

Zaplox GO offers a swift start to launching a mobile guest journey.

Zaplox apps are fully customized for both iOS and Android.

Zaplox is the market innovator leading the way in mobile key technology since 2010. We help hotels create a world-class revenue generating mobile guest journey.

KEYLESS

Can replace or co-exist with all current key card technologies

Benefit from cost savings, increased security and eliminate waste of plastic cards.

PROFITABLE

Deliver better service and personalized offers to your guests

Easily create revenue generating offers that are customizable to fit various guest segments.

SMART

Smart services all the way

Guests can access all services from one convenient app and staff is freed up to engage with guests.
