ZAPLOX

KEYLESS

Can replace or co-exist with all current key card technologies.

Benefit from cost savings, increased security and eliminate waste of plastic cards.

PROFITABLE

Deliver better service and personalized offers to your guests.

Easily create revenue generating offers that are customizable to fit various guest segments.

SMART

Smart services all the way.

Guests can access all services from one convenient app and staff is freed up to engage with guests.

ZAPLOX Traveler

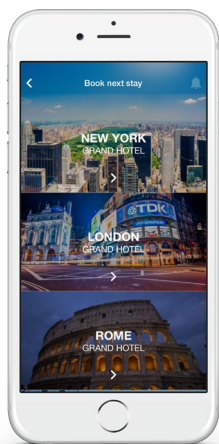

Join the community

Zaplox Traveler is an easy and quick way for hotels to offer a mobile guest journey without having their own unique hotel app.

With Zaplox Traveler, your guests can enjoy the conveniences of mobile check in, mobile key, and check out with payment, while you enjoy the benefits of connecting with guests and promoting your property in the ready-to-join hotel community app.

Zaplox Traveler includes:

- Check in
- Check out
- Mobile key in app for easy door access
- Payment
- Book next stay
- Hotel community
- Push Notifications
- Offer management
- Integrations to Lock and PMS
- Guest registration
- Express guest onboarding with reservation link to application
- Mobile key usage control in portal
- Usage statistics
- Folio review on checkout
